

RESOLUTION 2006-_____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA ADOPTING A COUNCIL POLICY ON BREASTFEEDING SUPPORT

WHEREAS, Healthy Eating, Active Community (HEAC) is a four year initiative, funded by the California Endowment, to address obesity and diabetes among children by improving food and physical activity environments; and

WHEREAS, the California Endowment selected six California cities to participate in its \$26 million initiative. The City of Chula Vista is one HEAC's partners in this venture; and

WHEREAS, in response to referrals, from Mayor Padilla and Councilmember Chavez, the General Services Department is planning on including a dedicated area for lactation as part of the old Police Department remodeling project and will consider similar areas in future building projects; and

WHEREAS, the policy presented here for Council adoption demonstrates that support to our employees and to the community.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chula Vista does hereby adopt a Council Policy on Breastfeeding Support.

RESOLUTION 2006-_____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA ADOPTING A COUNCIL POLICY ON PUBLIC VENDING MACHINES IN CITY FACILITIES

WHEREAS, Healthy Eating, Active Community (HEAC) is a four year initiative, funded by the California Endowment, to address obesity and diabetes among children by improving food and physical activity environments; and

WHEREAS, the California Endowment selected six California cities to participate in its \$26 million initiative. The City of Chula Vista is one HEAC's partners in this venture; and

WHEREAS, earlier this year, the City, working with our vendor Host Vending Services, voluntarily increased the percentage of healthy snacks and beverages in machines located at recreation facilities and libraries; and

WHEREAS, staff is now recommending that 100% of the snacks and beverages meet the nutrition standards set by California SB 19, the Pupil Nutrition, Healthy and Achievement Act of 2001, SB 12, the School Nutrition Standards, and recommendations from the San Diego Regional Nutrition Network and HEAC.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chula Vista does hereby adopt a Council Policy on Public Vending Machines in City Facilities.
